Pink Tiger is a sophisticated and playful DC Wharf Asian restaurant nestled on the waterfront at The Wharf in DC. We offer an exciting blend of American flair and Southeast Asian fare, creating a dining experience that’s both familiar and unexpected– or as we like to say, the best of both worlds. We are quickly becoming one of the top DC Wharf restaurants. Our menu is designed to be flexible, presenting a variety of options; small and shared plates, traditional mains, and a rotating Chef’s Tasting Menu.
