Company logo

Swanson Reed is a specialist R&D tax advisory firm that assists companies in claiming tax credits for their research and development expenditures. The firm manages all facets of the R&D tax claim process, including eligibility assessments, claim preparation, and advisory services.

Swanson Reed distinguishes itself by offering competitive pricing, ensuring client confidentiality, and maintaining a conservative approach to R&D tax claims. All claims prepared by the firm undergo a thorough review process involving qualified professionals to safeguard clients' interests.
