Berluti McLaughlin & Kutchin LLP (BMK) continues the legacy achieved by each partner, providing sophisticated, value-oriented representation to entrepreneurs and businesses in matters including corporate, business law, real estate, commercial finance, and complex civil litigation at both the trial and appellate levels, and all forms of alternative dispute resolution. BMK helps our clients grow their businesses by guiding them through the legal challenges that frequently arise in today’s business world. We earn our clients trust by guiding them in the opportunities that the law affords, and help them implement cost effective, practical strategies to realize their goals.
