Commercial office cleaning in QLD & NSW by OZK. Specialising in strata, events, medical centres, and schools.

K Pty Ltd. got into the cleaning business in 2010. We are dedicated to providing the right solution for your requirements. We always deliver the highest standard of cleaning, supported by autonomous inspections each week. Our aim is to allow you to leave your cleaning tasks with us so that you can focus on operating your business. We look at all clients as partners to work with as a team to make the best possible outcomes. We will work with you to develop a cleaning solution that is perfectly tailored to your business premises and we will proactively provide suggestions that could save you money or produce better outcomes.
