Company logo

Welcome to Stepahead Carpentry Pty Ltd, your go-to destination for expert custom **carpentry** solutions. We specialise in designing, manufacturing, and installing top-quality stairs and balustrades. We offer a wide range of services to both residential and commercial clients without sacrificing quality and workmanship. We are here to do it if you are looking for classic **internal stairs**, premium **external balustrades**, or sleek **privacy screens**.

Our Specialties

We specialise in creating quality internal and **external stairs** that perfectly suit your preferences and the style of the property. All our stairs are premium quality and can withstand extreme weather. We also make **internal balustrades** that complement your **internal stairs**. We have various timber options, including **Durian oak timber, Tasmanian oak timber, rosewood timber, Pacific maple timber** and more, from which you can choose according to your style and preferences.

Our **external balustrades** offer the right balance of safety and charm for your outdoor space. If you need balustrades for your balcony, deck, or stairs, we provide quality solutions that elevate the look and feel of your property. Add a touch of charm and beauty to your staircase with our personalised **banister railing**, which suits your taste and preferences, from simple and stylish to complicated designs.

In addition, we also offer custom **gates and fences** that are stylish and secure. You can choose from various materials and finishes to create the ideal boundary for your home. We at Stepahead Carpentry offer **privacy screens and room dividers** designed to enhance the functionality and security of your room without affecting its appearance.

Reasons to Choose Stepahead Carpentry

Experienced Workmanship

We have carpenters with years of practice and tons of skill in delivering your products. Each of our products is of premium quality because we value every detail.

Personalised Solutions

Every project has different requirements. That is why we offer **custom-designed staircases** and other products. You select the materials for the final design, and we work closely with you to ensure we have brought your dream to reality.

Quality Materials

Our projects use only premium quality timber and ensure your products last for many years.

Customer-Centric

We at Stepahead Carpentry work towards making all our clients happy. We ensure our customers have a stress-free experience from consultation to final installation.

Experience Stepahead Carpentry Class

We are happy to serve the people of Australia by making premium stairs, balustrades, and **custom carpentry**. Contact us today to discuss your project and see for yourself how Stepahead Carpentry can make all your dreams a reality.
