Company logo

Located at 76B Reaville Ave in Flemington, New Jersey, Jersey Powersports is a top dealership for powersports vehicles and outdoor equipment. Founded by Billy Bartus in 2017, the dealership has improved its offerings rapidly, moving five times in six years to fit its growing activities.

Product Offerings:

Jersey Powersports covers all needs with the following in stock:

You can find ARGO Xplorer XR 500 and XR 700 EPS models, which are suitable for both jobs and leisure.

In this section, we have bikes from GPX Moto, KOVE, and Stark VARG, the electric motocross bike that goes the fastest in the world.

Go-Karts and Electric Vehicles: Giving something for everyone, regardless of age or choice.

Outdoor Equipment: All leading brands have lawn mowers, snow blowers, and tractors in our store.
