Urgent Couriers is the leading fast delivery company in NZ, delivering Nationwide and Internationally.

We are NZ’s premium point-to-point courier service. Our extensive fleet of chilled and non-chilled trucks and vans will transport your goods across New Zealand before our delivery team takes over and drives the final mile – and we run an overnight courier service if that’s what you need.

Our courier services are available throughout the country, as far north as Whangarei and as far south as Invercargill. Our live tracking capabilities allow customers to follow deliveries for a stress-free experience. If you are looking for reliable, efficient delivery services New Zealand-wide, choose Urgent Couriers. We have more than thirty years of industry experience and pride ourselves on consistently rapid, professional delivery.
