A premier commercial electrician in Sydney with over 20+ years of industry expertise, Alex Schepis, the third-generation electrician and founder of Lightspeed Electrical in 2013, has pioneered exceptional electrical services across both commercial and industrial sectors. In 2013, Alex founded Lightspeed Electrical, embodying a legacy of excellence. Today, as a leading "Commercial Electrician in Sydney" and "Industrial Electrician", Lightspeed Electrical PTY LTD is renowned for delivering exceptional service. Specializing in both commercial and industrial sectors, our Sydney-based team is committed to providing top-tier electrical solutions to our diverse clientele, ensuring reliability and outstanding performance in every project.
