Al Mustafa Welfare Trust is a UK-registered international humanitarian charity, established in 1983 with the mission to serve the world's most vulnerable communities. With over four decades of trusted service, the Trust has become one of the leading **Muslim charities** delivering life-saving aid and long-term development across more than 25 countries.

Rooted in Islamic principles of compassion, charity, and justice, Al Mustafa Welfare Trust specializes in both emergency relief and sustainable development programs. The organization provides essential services including clean water, healthcare, education, food distribution, orphan support, and seasonal religious giving like **Zakat**, **Sadaqah**, Fitrana, Fidya, Kaffarah, and **Qurbani**.

From the conflict zones of Gaza and Yemen to the drought-hit villages in Africa and rural areas of Pakistan, Al Mustafa Welfare Trust reaches the most underserved communities with dignity and transparency. Whether it's restoring sight through free cataract surgeries, installing water wells, sponsoring orphans, or providing emergency food parcels, every project is designed to create long-term impact and positive change.

As a faith-driven **Muslim charity**, Al Mustafa Welfare Trust offers 100% Zakat-eligible programs and ensures all religious donations are distributed according to Islamic guidelines. Every donation is managed with full accountability, and all campaigns are supported by transparent reporting and audited processes.

Over the years, the Trust has earned the trust of thousands of donors worldwide for its impactful projects, efficient delivery, and commitment to upholding the rights of the needy.
