Established in 2017, Phi Designs is a leading office interior design company based in Mumbai with Pan-India presence, specializing in commercial and corporate workspaces. We offer end-to-end Design & Build solutions—delivering custom office designs in just 15 days and complete turnkey transformations within 75 days. Whether you're a startup, a growing enterprise, or a Fortune 500 company, we provide tailored interior solutions across Premium and Luxe categories.
