Space Shuttle Parking is just 400 metres from the Domestic Terminal, offering secure multi-level and rooftop parking options at unbeatable prices. Our facility is open 24/7 with round-the-clock CCTV surveillance and on-demand shuttle services to both Domestic and International terminals.

Unlike other providers, we offer transparent pricing, no hidden fees, and the freedom to keep your keys. Choose from rooftop, undercover, or VIP parking to suit your needs. Whether you’re flying out for a short trip or a long holiday, Space Shuttle Parking makes your airport experience smooth, safe, and stress-free.

Book online to guarantee your space and enjoy Sydney’s most convenient airport parking solution.
