GaliDerm Aesthetics is a top-rated med spa in Royal Palm Beach offering Botox, lip injections, dermal fillers, lip augmentation, and semaglutide weight loss programs. Trusted for natural results and expert care in facial aesthetics and body wellness.

GaliDerm Aesthetics is a premier medical spa located in Royal Palm Beach, Florida, specializing in advanced aesthetic and anti-aging treatments. Founded and led by Cigdem Gali, MSPA, PA-C—a board-certified Physician Assistant and Master Injector—the clinic is dedicated to enhancing natural beauty through minimally invasive, virtually painless procedures.

The spa offers a comprehensive range of services, including injectables (such as dermal fillers, Botox, and Kybella), skin tightening, body contouring, facials, chemical peels, laser treatments, and medical weight loss programs. Each treatment is personalized to meet individual client needs, ensuring optimal results and a rejuvenated appearance.

GaliDerm Aesthetics prides itself on providing a luxurious and modern environment where clients can feel comfortable and confident in their aesthetic journey. The clinic's commitment to excellence and client satisfaction has established it as a trusted destination for those seeking high-quality aesthetic care in the West Palm Beach area.
