Woodminium, A brand of Ajit Group is a trustworthy end-to-end fabricator and provider of aluminium and unplasticized polyvinyl chloride (UPVC) windows and doors solutions. Driven by the zest to not only enhance interior décor, but also to preserve the warmth of hearth and homes, Woodminium windows and doors are durable, safe and protect you against noise and dust pollution.

Woodminium is founded and managed by a group of highly qualified engineers who have worked in the United Kingdom for 15 years and returned to India to set up a business that is professionally run to provide sterling quality of products and services.
