Fairwinds Center is Nantucket’s trusted nonprofit provider of comprehensive mental health and addiction recovery services. Since 1962, Fairwinds has offered compassionate, confidential care for individuals, couples, and families. Their licensed professionals specialize in therapy, substance misuse treatment, psychiatric services, crisis intervention, and developmental assessments. They also offer therapy treatment for depression, helping clients navigate emotional challenges with personalized, evidence-based care. With both in-person and telehealth options, Fairwinds ensures accessible support for the island community. Whether you're seeking counseling, emergency services, or long-term recovery solutions, Fairwinds Center is committed to guiding you toward wellness with dignity and respect.
