EK Construction Group is a premier remodeling and construction company based in St. Cloud, Florida, dedicated to transforming homes with high-quality craftsmanship and innovative designs. With years of industry experience, our team specializes in kitchen and bathroom remodeling, custom home building, general contracting, and roofing services. We take pride in delivering exceptional results that enhance the beauty, functionality, and value of every home we work on.

Our kitchen remodeling services bring modern designs, high-end materials, and expert craftsmanship together to create beautiful and functional spaces. Whether you want a sleek, contemporary kitchen or a warm, traditional style, we tailor each project to match your vision and lifestyle needs. Our bathroom remodeling services turn outdated spaces into luxurious, spa-like retreats, incorporating elegant fixtures, efficient layouts, and premium materials.

As custom home builders, we work closely with clients to design and construct dream homes that reflect their unique tastes and requirements. From initial planning to final construction, we ensure every detail meets the highest standards of quality and efficiency. Our general contracting services cover everything from renovations and additions to full-scale home improvements, managing every aspect of the project with precision and professionalism.

TEK Construction Group also offers expert roofing services, ensuring homes are well-protected and aesthetically appealing. Whether you need a roof replacement, repairs, or a new installation, our team uses top-quality materials and advanced techniques to guarantee durability and longevity.

With a commitment to excellence, transparency, and customer satisfaction, TEK Construction Group stands out as a trusted partner for homeowners looking to enhance their living spaces. Contact us today to discuss your project and experience the difference of working with a team that values quality, integrity, and superior craftsmanship.
