Coolixa Systems (OPC) Pvt. Ltd. delivers end-to-end HVAC solutions across Mumbai, Navi Mumbai, Thane, and surrounding regions. Specializing in custom air conditioning setups, ducted and centralized systems, modular cold rooms, and energy-saving ventilation solutions, they cater to both small residential projects and large commercial spaces. Every installation is powered by industry-leading technology and managed by a team of highly trained engineers, ensuring top-notch results and minimal downtime. With an outstanding service record, annual maintenance contracts, and a strong focus on customer satisfaction, Coolixa stands out as a reliable partner for all your heating, ventilation, and air conditioning needs.
