Company logo

Company logo

Being part of the UK's largest independent paint and coatings distribution group, Industrial Coatings Ltd. specializes in supplying a wide range of coatings, including protective, marine, general industrial coatings, maintenance paint, wood stains, and coatings—both solvent and water-based. We also offer construction repair and building maintenance products.

We ensure that from your initial enquiry to the application of the product, the process is streamlined and efficient. Choosing the correct product, color, and yield (quantity) is critical, and we guarantee accuracy, competitive pricing, and timely delivery.

With a lifetime of experience in the paint and coatings industry, you will find that with Industrial Coatings Ltd., "you’ve nothing to worry about; we’ve got a global reputation to protect."
