Dr. RudraDev Pandey is a leading **cardiologist in Jaipur**, with over 15 years of experience in the field. He has successfully performed more than 15,000 coronary interventions, primarily utilizing the Trans Radial approach, which is known for its high success rates and minimal complications. Dr. Pandey specializes in treatments for non-surgical mitral and aortic stenosis, including Transcatheter Aortic Valve Replacement (TAVR/TAVI). His expertise also extends to device-based management of heart failure, such as pacemaker implantation, AICD, and CRTD, as well as advanced aortic interventions like live aortic stenting and peripheral vascular stenting. As the Director of Interventional Cardiology at Suvira Hospital since October 2023, Dr. Pandey is committed to providing state-of-the-art cardiac care to his patients.
