Elite Hail Systems is the largest full service automotive hail restoration company in Colorado. We employ technicians with 20+ years experience, and, while we specialize in luxury and higher valued vehicles, we endeavor to help everyone we can.

Thousands of people lose out big to hail damage in Colorado because of simple mistakes. With our team of down-to-earth, good people, who deal with hail every single day... we'll be happy to become your "friend in the business", and help you navigate this mess, generally without you taking a dime out of your pocket.

We may be able to pay your deductible for you, get you a rental car, handle the insurance and hassles... Super easy and zero out of pocket. Reach out today and let's handle this!
