SWISS BUREAU INTERIOR DESIGN is a multi-award winning interior design and interior fit out company based in Dubai, United Arab Emirates.
We provide a wide range of services for our clients in the commercial, hospitality, public and residential sectors not only in Dubai, but worldwide.
Joakim de Rham, a Swiss interior architect and his local partner, Maher Al Zarooni founded the company in 2003. Since then, SBID have grown from a medium sized studio to be a market leading design consultancy and fit-out contractor.
