Company logo

From humble beginnings the Tasman star seafood brand has become a gold coast icon And destination.

The company was the culmination of a lifetime of experience and knowledge gained from within the industry by its director and founder Peter Duncombe snr,later joined by his two sons Peter jnr and Mathew.

We own and operate our own fleet of commercial prawn trawlers, As well as having significant partnerships with other commercial fishers and industry leading suppliers.

Our fish freight operation ensures our direct access to products from around Australia daily as well as providing links for other commercial fishers and seafood associates access to the largest commercial fish market in the southern hemisphere Sydney fish market.

Our goal is simple to provide the highest quality and widest range of Australian and selected imported seafood products available, coupled with experienced knowledgeable service and value, and the continued dedication and innovation of the way seafood is delivered and experienced by the public.
