NewDirection Care is a residential aged care microtown community. Our caring team works hard to build a safe and comfortable environment for each and every resident so they can continue to lead a full life filled with purpose. We want all of our residents, and their loved ones, to feel comfortable and secure.

NewDirection Care’s retirement community provides integrated care to support and promote the wellbeing of seniors with special needs. Our highly experienced staff are passionate about offering disability aged care that helps seniors maintain their independence and quality of life. We know that some residents require specialised care which is why every member on our team is trained to give dementia aged care. Our residential respite care is designed to promote an active community and healthy social life.

With NewDirection Care, you can trust that your loved one will receive the quality of care they deserve. You can visit our site to learn more about our specialist nursing homes and our supported living facilities.
