Armor Courts is a privately-owned sports court contractor based in Boynton Beach, Florida. We specialize in tennis court construction, basketball court resurfacing, and pickleball court resurfacing for communities throughout South Florida. Our team also does custom pickleball courts, shuffleboard courts, and multi-sport courts construction for each space and budget. Looking for fast installation and long-term durability? We offer modular sports flooring systems to complement all levels of play. We also handle tennis court resurfacing and shuffleboard court resurfacing with quality materials. Reach out today to turn your unused space into a standout recreational area everyone will enjoy.
