Super Clean Carpet Services is an established Professional Carpet Cleaning Service with over 18 years experience throughout Brisbane and Goldcoast. Providing you with good old fashion customer service, we pride ourselves on Honesty, Reliability, Affordability with no hidden fees and charges.

Our team of technicians is highly trained to operate the machines and use the chemicals according to the best and safest standards. Our team is also trained on communication and customer service skills. Our service is not limited to cleaning our clients’ carpets and furniture, but also extends to using the best communication techniques from the moment the customer requests a quote and up till the service is completely done.
