Multi-location brick & mortar retailer with an ecommerce site offering high end furnishings, mainly Italian brands focused on transitional and modern style, for the entire home or business. Includes everything from art and lighting, custom kitchens and closets, and all furnishings - our goal is to provide entire room or home decor for the inside and outdoor. We also offer design services directly to clients, both consumers and B2B (hospitality, offices, etc). We have a trade channel as well for the architectural & design community as well as home builders and multi-tenant builders of high end living spaces.
