Ballard's Plumbing is your local plumbers in Penrith and surrounding areas that can cater for all your residential installations and maintenance. We cover all aspects of plumbing, drainage and gas fitting. Whenever you require a plumber you can feel confident knowing we will be able to help. Our professional and courteous service ensures that all our work is completed to the highest standard at affordable rates. We are skilled, fully licensed, experienced and on call 24/7 for all your plumbing, drainage and gas emergencies.

We are highly regarded and recommended by our clients and remain the trusted choice over our competitors. We utilise the latest technology and machinery and ensure that these remain serviced regularly ensuring we provide the highest quality work, in the fastest possible time – ensuring we get you up and running in no time!

We are committed to providing our all to your work from the initial enquiry right through to the finished work. We will work with you every step of the way ensuring we provide the very best service we can offer in order to get the job done to a standard that both ourselves and clients are satisfied with. Ensuring we work not only on time but within budget.

Our director Tim prides himself on his dedication and precision taken with his work. He has over 15 years experience in the building industry and close to 10 years experience plumbing in the local area. He overlooks all completed work and ensures that each and every project is completed to the highest possible standard.
