Company logo

Hurricane Boat Lifts South specializes in the manufacture of a diverse range of boat lifts, ensuring easy and hassle-free boating experiences for clients situated on lakes, canals, and various water bodies. With options including PWC lifts, beamless lifts, elevator lifts, and custom designs, they cater to both residential and commercial needs. The company is committed to providing excellent customer service, warranty, and storm preparedness solutions. Established in 1998, they focus on protecting customer investments with reliable products and support.
