Pixelmate Exhibition Co., Ltd. is a leading exhibition booth design and construction company based in Bangkok, Thailand, proudly serving clients across Southeast Asia. For years, we have helped global brands, local businesses, and industry leaders transform their presence at trade shows, expos, and corporate events.

We are more than just booth builders. We are **strategic partners** who help businesses create memorable brand experiences. Each project we take on is guided by creativity, precision, and a deep understanding of how spaces can influence people, spark conversations, and build lasting connections.
