Company logo

North Carolina life insurance consultant providing individuals with tailored life insurance policies and annuities to serve as income replacement.

At Matador Insurance, people come before policies. Our licensed advisors craft retirement and legacy plans around your goals with clear guidance and transparency supported by a simple online consultation process.

We focus on risk managed solutions such as fixed indexed annuities and life insurance, delivered by a team that plans together so nothing is missed.

Our support is personal and inviting, designed to make each step easy to understand.
