For efficient roof repairs and roof restoration in Melbourne, contact E.T. Roofing. We are insured and fully qualified to give your roof the best makeover possible. Whether it’s a small or big repair on your roof, our team will handle it.

With over 10 years of experience and as a safe work expert, you are guaranteed to have the best repair work possible for your roof.

Our comprehensive roofing services include:

- **Roof leak repairs**
- Roof Repairs
- Roof Restoration
- **Gutter replacement**
- Roof painting
- Pressure washing
- Gutter Cleaning
- Sarking installation
- Re-bedding and repointing, and many more

By making use of our services, you can keep the roof clean and in excellent condition with no structural damage to your house. You can also protect your roof from water damage during storms or floods. You get the best protection possible in the unpredictable Melbourne weather.

We are happy to say that our work comes with 10-year warranties. With the skilled workmanship, you can be faithful that your money is in the right place.

Apart from the roofing services, we also do residential roofing for houses, townhouses and villas. We are also known as the **commercial roofing company**, so you can contact us if your business property needs a makeover.

Why choose us for roof repairs in Melbourne?

- Hard-working staff
- Polite and professional throughout the process
- Safe work experts
- Guaranteed results with extensive warranty
- A foolproof process of inspection for roof repair
- On-the-spot fix for minor repairs
- Begin our service only after the quote is approved
