Company logo

Metal plating in Los Angeles, CA, requires precision and durability, and our company specializes in advanced surface finishing techniques. We offer chrome plating, brass plating, gold plating, nickel plating, bronze plating, silver plating, copper plating, and rose gold plating for both industrial and decorative applications. Services also include metal finishing, electroplating, custom plating, metal restoration, and metal coating. We handle metal refinishing and polishing to restore original quality. Serving Los Angeles plus Beverly Hills, West Hollywood, Culver City, Santa Monica, Inglewood, Glendale, Pasadena, Burbank, Westwood, and Marina del Rey. Trusted for decorative metal finishes and industrial applications, we deliver consistent results.
