At **Spa 180 Prestige**, we believe true wellness radiates from within. Our spa was founded on the idea that self-care is not indulgence — it’s balance, healing, and transformation. Every detail of our space is designed to nurture harmony between your body, mind, and spirit.

We offer an array of therapeutic and beauty services, including rejuvenating massages, customized facials, body treatments, waxing, and permanent makeup. Each session is tailored to your individual needs, using high-quality products and holistic techniques that promote natural restoration and lasting vitality.

From the moment you walk in, the gentle scents, soft lighting, and tranquil sounds invite you to disconnect from stress and reconnect with yourself. Our expert team is dedicated to helping you achieve both inner peace and outer radiance.

At **Spa 180 Prestige**, wellness is a way of life — and your journey to balance begins here.
