At Eatontown Elite Care Center, we provide expert chiropractic and physical therapy care for patients recovering from motor vehicle accidents—as well as those seeking relief from everyday pain, sports injuries, or general wellness needs. With over 20 years of experience and advanced training, including a Fellowship in Primary Spine Care, we deliver personalized, results-driven care. We offer both traditional and instrument-based chiropractic techniques to ensure treatment is comfortable and effective. Our bilingual team, on-site digital X-rays, and strong medical/legal network help streamline your recovery. Call today to get started.
