Chandler Solutions is a Service-Disabled Veteran-Owned Small Business trusted by property managers, contractors, and owners across Western Washington. We provide dependable security guard service and tailored commercial security services including professional unarmed security guard coverage, responsive security patrol services, and welcoming concierge security at the front desk. For active and vulnerable sites, we deliver construction site security, deploy mobile surveillance trailer options, and provide 24/7 remote video monitoring that deters theft and speeds response. Protect your people and property today; contact us for a no-pressure assessment.
