Line and Form Custom Homes Brisbane’s specialist custom home builders. From luxury one-offs and smart-home designs to knock-down rebuilds, sloping or narrow blocks, we deliver bespoke, functional homes with transparent communication, quality craftsmanship, and premium finishes tailored to Queensland conditions.

Line and Form Custom Homes, based in Brisbane, specialises in crafting bespoke, contemporary homes designed to endure both time and style. Built with modern living in mind, each house balances luxury, functionality, and energy-smart innovation making homes that are admired, respected, and built to last.

Whether you're dealing with a compact, sloping, or narrow site or looking to knock down and rebuild in your beloved neighbourhood Line and Form turns site challenges into seamless opportunities.
