Prudent Corporate Advisory Services Ltd. was established in 2000 and has since become one of India’s fastest-growing financial services group. Prudent made a market debut as a publicly listed company in 2022.

Initially, the company began its journey with mutual fund distribution and has since expanded its portfolio to offer a wide range of financial products and services including Mutual Funds, Insurance, Stock Broking, Bonds, PMS-AIF, Fixed Income Products, Properties, and Loan Products.

With over 32,000+ well-trained and qualified Prudent MFDs, we empower Mutual Fund Distributors to grow their businesses by providing regular Product training, Research reports, Business tools, Articles and Marketing materials.

Join Prudent as a Mutual Fund Distributors (MFD) and elevate your business to new heights. With access to robust marketing tools and regular training, we help you to scale your business effectively.
