Gesmundo Designs is a premier home renovation and carpentry company based in East Northport, NY, serving Northport, Commack, Huntington, and surrounding areas. Known for their craftsmanship, professionalism, and attention to detail, Gesmundo Designs specializes in transforming homes through custom renovations tailored to each client’s vision and lifestyle.

Their comprehensive services include kitchen, bathroom, and basement renovations, as well as tile work, custom cabinetry, carpentry, and exterior remodeling. From design to execution, the team handles full builds and remodeling projects with a focus on quality materials and flawless finishes. They also offer certified tile installation and custom-built features like bar cabinets and shelving.

With a team of licensed and insured professionals, Gesmundo Designs is committed to delivering high-end, personalized results that enhance both function and aesthetics. Whether you're updating a single room or undertaking a full home transformation, they provide expert guidance and craftsmanship every step of the way.
