Company logo

At **Porcious**, we are driven by the passion to create elegant and innovative breakthroughs in the tile industry. Hence, we greatly emphasize continual research and development. As the **best tiles company in India**, our tiles are crafted with meticulous attention to detail, using the highest-quality materials to meet global standards. Our quality control is stringent and uncompromised, while our range is profuse.

Porcious offers a diverse range of premium porcelain tiles, from timeless classics to innovative modern designs. Based in Morbi, we have six production units operating at an 80,000 sqm per day capacity. Our manufacturing capabilities enable us to meet supply demands and desired quality standards.
