Located in Miramar, Florida, South Florida Advanced Rejuvenation is a premier concierge medical practice that specializes in advanced aesthetics, regenerative therapies, and personalized wellness care. Dr. Sergio Guiteau heads the clinic where under his guidance many advanced and aesthetic procedures are performed with the utmost precision. He is an expert in Family and Sports Medicine and has accreditation in Aesthetic and Ultrasound-Guided procedures. The clinic provides services such as PRP for skin and hair, Botox and fillers, PDO threading, medical weight-loss, hormone and wellness optimization and regenerative musculoskeletal therapies. South Florida Advanced Rejuvenation treats professional athletes and entertainers and provides high-end medical care for clients who want a discreet and exclusive experience. Our clinic prioritizes a welcoming and up-to-date atmosphere. The services we provide are evidence-based and tailored to the patient’s desire for aesthetic enhancement, performance, and overall wellness.
