Discover a better dental experience at 901 Dental, where modern technology meets hometown care. Conveniently located off Hwy 64 in Arlington, TN — just west of Houston Levee/Canada Road and across from Waffle House — our office offers comprehensive, family-friendly dental care in a relaxing, state-of-the-art environment.

Led by Dr. Alexandria T. Ellzey, one of the top-rated dentists in Arlington TN and top graduate of Meharry Medical College, our team is passionate about patient education, prevention, and personalized care. From gentle cleanings to advanced cosmetic and restorative treatments, we’re here to keep your smile healthy and confident.

Our Services Include:

- Dental Emergencies – Prompt, compassionate care when you need relief from sudden dental pain or injury.
- Invisalign® – Straighten your teeth discreetly with custom clear aligners designed for comfort and confidence.
- Extractions – Gentle, safe tooth removal to protect your oral health and prepare for future restoration.
- Dental Crowns and Bridges – Restore strength, function, and beauty to your smile with durable, natural-looking restorations.
- Cosmetic Dentistry – Enhance your smile’s appearance with personalized aesthetic treatments that boost confidence.
- Root Canal – Save your natural tooth and relieve pain with advanced, comfortable root canal therapy.
- Dentures and Partials – Enjoy a complete smile again with custom-fit dentures designed for comfort and function.
- Veneers – Instantly transform your smile with thin, durable porcelain shells that correct chips, gaps, and stains.
- Dental Implants – Replace missing teeth with permanent, natural-looking implants that restore full function and confidence.
- Teeth Whitening – Brighten your smile safely and effectively with professional-grade whitening treatments.
- Fillings – Repair cavities and restore your tooth’s strength with natural-looking, long-lasting fillings.
- Children’s Dentistry in Arlington – Gentle, fun, and caring dental visits to help kids build healthy habits for life.
- Periodontal Therapy – Protect your gums and preserve your smile with advanced gum disease prevention and treatment.

Enjoy comfort-focused touches like ceiling TVs, Roku, and Netflix during your visit — because your dental care should feel as good as your smile looks.

New patients are always welcome! Whether you’re here for a routine checkup, a cosmetic enhancement, or an urgent dental need, 901 Dental makes it easy to relax, feel cared for, and love your smile.
