Our mission is the same today as it was when we began - an exciting dining experience focused on quality taste, quality products and the best comfortable experience within our locations. From sourcing fresh local produce, finding the finest cuts of meat, creating the perfect ambiance in our restaurants, and working with the best in the industry, Toro's Steakhouse ensures we only serve the juiciest, flavoursome food on your plate. Toro's Steakhouse has built our reputation on using nothing but the highest quality produce, cooked perfectly and served in casually splendid surroundings. Open for brunch and dinner seven days a week, you can find us across the UK.
