Company logo

Extreme care should be taken whenever there is work going on at heights. To facilitate proper safety equipment for you, All Safe Height Safety Solutions brings you reliable and efficient roof safety systems in Melbourne.

Being a 100% Australian-owned company, we understand the kind of projects that go on and provide cost-effective height safety solutions that are appropriate for any application. It doesn't matter where you are in Australia, we can bring you effective products of roof access systems so that you can complete the project without any worry.

We are proud to say that all our roof safety products are custom-designed to meet the unique requirements of different clients. You will be assured that we use only Australian-made products for designing roof safety products.

## Our products include:

- Roof access hatch
- Roof anchor point
- Roof handrail
- Roof walkway
- Roof access ladder
- HVAC platforms
- **Attic ladders**
- Skylight protectors
- Anchor points

Apart from all these products, we also provide services including anchor point inspection, height safety audits, harness equipment and fall arrest inspections and certification.

When you work with us, you are guaranteed to get comprehensive height safety solutions in Melbourne.
