Mavride NEMT – Trusted Non-Emergency Medical Transportation Across Texas

Mavride NEMT is a leading **Non-Emergency Medical Transportation (NEMT) provider based in Houston, Texas**, proudly serving individuals, healthcare providers, and insurance partners across Texas since **2018**. We specialize in **safe, reliable, and compassionate medical transportation**, ensuring patients reach essential healthcare services comfortably and on time.

With over **15,000 rides successfully completed**, Mavride has earned a reputation for excellence, dependability, and patient-centered care. Our mission is to remove transportation barriers and improve access to healthcare for seniors, individuals with disabilities, and patients with non-emergency medical needs.

Medical Transportation Services

Mavride offers a full range of **non-emergency medical transportation services**, including:

- Doctor and specialist appointments
- Dialysis and chemotherapy visits
- Hospital admissions and discharges

- Rehabilitation and therapy sessions
- Adult day care and assisted living facilities
- Bedside-to-bedside assistance
- Pharmacy and prescription pick-ups
- Counseling and mental health appointments
- Interstate medical transportation
- Medicaid, Medicare, and private insurance-covered trips

Our services are designed to meet the needs of **ambulatory, wheelchair-bound, and stretcher/gurney patients**, with personalized support at every step of the journey.

Transparent & Affordable Rates

Mavride offers competitive and transparent pricing:

- **Ambulatory Sedan:** $25
- **Wheelchair Van:** $40
- **Stretcher / Gurney Transport:** $80

Custom quotes are available for specialized and long-distance transportation needs.

At Mavride, we are more than a transportation provider—we are a **trusted healthcare partner**, committed to improving patient outcomes by ensuring timely access to medical care. Whether for individuals, families, healthcare providers, or insurance partners, Mavride delivers transportation you can trust.
