Green Ocean Property Management serves individual investors, multifamily owners, and condo associations across Boston and Greater Boston. We help you achieve worry-free ownership, maximize your property’s returns, and build vibrant communities by handling everything from leasing and tenant relations to maintenance, compliance, and board support. Backed by 40+ years of local expertise and a commitment to proactive communication, financial transparency, and hands-on service, Green Ocean is the trusted choice for those who want results without the stress.
