Hi there! My name is Rehana Diwan, and I am the founder of Desire Infotech - an IT training center that provides high-quality training and education to aspiring IT professionals. At Desire Infotech, we offer a wide range of courses such as Graphic Design, React JS, Node JS, MERNStack, MEANStack, Fullstack, Python, Django, Web Desig, UI-UX, Flutter, React Native, Java, Angular, Vue JS, Digital Marketing, Android, Kotlin.

I have always been passionate about technology and helping others learn about it. That's why I started Desire Infotech - to create a platform for individuals to enhance their skills and pursue their dreams in the IT industry. With our experienced trainers and modern training facilities, we ensure that our students receive the best possible learning experience.
