We specialize in high-quality 20’ and 40’ shipping containers, offering both standard units and fully customized builds tailored to your needs. Every project is built to order, allowing us to create solutions that fit your vision, timeline, and budget. From storage units and sheds to conex containers, tiny homes, and concession builds, we handle it all with precision and care. CFS Containers is proud to now offer flexible financing options up to $100,000, making it easier to bring larger projects to life. Give us a call, and let’s start building something that works for you.
