Elite Striping Systems is a professional parking lot striping and pavement marking company in St. George, UT, specializing in new striping, re-striping, ADA and fire lane compliance, warehouse markings, and custom pavement layouts.

Elite Striping Systems delivers dependable, high-quality parking lot striping and pavement marking services throughout St. George and surrounding Southern Utah communities. With experienced technicians and commercial-grade materials, they provide fresh parking layouts, line re-striping, ADA-compliant handicap spaces, fire lane markings, warehouse striping, custom traffic symbols, and sports court lines. Their work ensures safety, regulatory compliance, improved traffic flow, and professional curb appeal for commercial properties, industrial facilities, HOAs, schools, and retail centers. Contact Elite Striping Systems for a free estimate and long-lasting results backed by precision and customer satisfaction.
