In 1949, W. C. ”Dub” Shepard started his business in Clearwater, Florida. As a master painter & finisher, he earned the reputation of giving his customers a quality product, delivering on time and being a man of his word. His business grew, covering both residential and commercial work across several states.Today, Shepard Contractors Inc. is a Full Service Painting and Building Restoration Company focusing on West Central Florida.As second and third generation contractors, we have the proven skills and experience to handle any project.Shepard Contractors Inc. is not your typical painting company. Our focus on quality and reputation for excellence has set us apart from the competition and our success is in large part from the professional team that makes up Shepard Contractors.
