Company logo

Renew Painting is a professional residential and commercial painting company based in Moore, SC, serving the Greater Spartanburg/Greenville region. We specialize in high-quality interior and exterior repaints, cabinet refinishing, and specialty finishes that elevate both curb appeal and home value. Our focus is craftsmanship, integrity, and a client experience that feels organized, reliable, and genuinely enjoyable.

We operate with a team-based structure designed to ensure communication, consistency, and accountability: an Office Administrator, an Operations Manager, and two Project Managers who run day-to-day job execution. This structure lets us handle both small and large projects efficiently while keeping our standards tight.

What We Stand For:

At Renew Painting, every project is built on professionalism, honesty, and follow-through. Clients repeatedly choose us not just for paint quality, but because they can count on clear timelines, proactive communication, and a team that respects their home. We’re known for clean job sites, careful prep work, and finishes that last. We strongly emphasize a positive customer experience!
