Boss Promotions is a promotional merchandise and branding agency that crafts tangible connections between today’s most forward-thinking companies. Since 1991, we have offered elevated branded solutions that span industries and categories, products and services, continents and cultures.

We amplify our clients’ unique values and spirit with creative merchandise that connects their brand to its audience. Operating from three countries, we design with equal parts creativity and strategy. We touch hearts, minds and hands through curated apparel and branded merchandise that connects with consumers in lasting emotional ways.
